INTERNET FOCUS

Your**LINK**

Enjoy faster online gaming, music and movie downloads, photo-sharing and streaming video! High Velocity Internet offers download speeds up to 10 Mbps and upload speeds up to 1.5 Mbps.

INTERNET TIP

Clear Picture provides in-home and drop off at the office services for CPI Internet customers. I.T. Guys can inspect and remove viruses from your computer

SECURITY FOCUS

Your**SECURITY**

MedAlert is now available through Safeguard Security. Rely on quick, local, round-the-clock emergency response for the home. A personal protection system console helps loved ones maintain independence.
[Click Here for More Information on Safeguard](#)

SECURITY TIP

Exterior lighting on the front of a property should always be on a timer to establish a routine and appearance of occupancy at all times: use interior light timers to establish a pattern of occupancy; exterior lighting should allow 100 feet of visibility; use good lighting along the pathway and at your door; use light timers or photo-cells to turn on/off lights automatically; and use infra-red motion sensor lights on the rear of single family homes.
[Click here for more information on Safeguard](#)

CPI CUSTOMERS WITHOUT A CONVERTER BOX

If you use a Digital TV without a converter or CableCard, you will need to rescan your TV on occasion in order to view the affected channels. If you would like to be notified by email when we add new channels, and therefore need to rescan your TV without a box, please [click here](#).

Important Reminder

Call before you dig! You must contact OUPS (dial 811), 48 hours before you dig. If you do not, and you mistakenly cut any utility lines, pipes, etc. . . you will be responsible for the cost to repair any damages.
